NARRATIVE:

Sean Bingham is a documented gang member with an extensive adult criminal history that began at the age of 18. His convictions include assault with a deadly weapon causing great bodily injury, battery, several petty thefts, vandalism, intimidating a witness or victim, possession of controlled substances for sale, contributing to the delinquency of a minor and failing to report. He has served multiple incarcerations the longest being a 4 year term for assault with a deadly weapon. Bingham was released from state prison to the supervision of the Los Angeles County Probation Department on February 8, 2013 Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in February 2015 after he absconded from post release community supervision (PRCS). Bingham qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for assault with a deadly weapon is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
